(f) Messrs. Cohen, Stark, Strauss, Solomon, Smith and Ward are citizens of the United States of America.

Item 3. Source and Amount of Funds or Other Consideration.

The Shares purchased by Starboard, Parche, RCG Ambrose, RCG Halifax and Ramius Master were purchased with the working capital of such entities (which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business) in open market purchases, except as otherwise noted, as set forth in Schedule A, which is incorporated by reference herein. The aggregate purchase cost of the 820,230 Shares beneficially owned in the aggregate by all of the Reporting Persons, not including Mr. Ward, is approximately \$15,726,291, including brokerage commissions. The aggregate purchase price of the 2,000 Shares owned directly by Mr. Ward is approximately \$45,040, including brokerage commissions. The Shares owned directly by Mr. Ward were acquired with personal funds.

Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity. Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of Shares at prices that would make the purchase of additional Shares desirable, the Reporting Persons may endeavor to increase their position in the Issuer through, among other things, the purchase of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Reporting Persons may deem advisable.

On December 10, 2005, Starboard submitted a letter (the "Nomination Letter") to the Issuer nominating Mr. Smith and Mr. Ward (together, the "Nominees") for election to the Board of Directors of the Issuer at the 2006 annual meeting of stockholders of the Issuer, or any other meeting of stockholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof (the "Annual Meeting"). The Nomination Letter is attached hereto as Exhibit 2 and is incorporated herein by reference.

On January 12, 2006, Starboard delivered a letter to the Chairman and Chief Executive Officer of the Issuer expressing its belief that the Issuer's shares are significantly

undervalued and that a sale of its Jevic subsidiary is the first step to maximize shareholder value. The letter is attached hereto as Exhibit 3 and is incorporated herein by reference. Key points highlighted in the letter include that (i) the Issuer is significantly undervalued and the Board of Directors of the Issuer has not taken the appropriate steps to correct this situation, (ii) its Jevic subsidiary is non-core to the Issuer and the Issuer should immediately pursue a competitive sale process for Jevic to help maximize shareholder value, (iii) Starboard expects that Jevic would receive interest from financial buyers in a competitive sale process and (iv) a tremendous opportunity exists to build the Issuer's Saia subsidiary into a best-in-class less-than-truckload carrier which deserves the full attention of management and the Board of Directors.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and engage in discussions with management and the Board of Directors of the Issuer concerning the business, operations and future plans of the Issuer. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, seeking additional Board representation, making proposals to the Issuer concerning changes to the capitalization, ownership structure or operations of the Issuer, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing their intention with respect to any and all matters referred to in Item 4.

Item 5 Interest in Securities of the Issuer.

The aggregate percentage of Shares reported owned by each person named herein is based upon 14,473,938 Shares outstanding, which is the total number of Shares outstanding as reported in the Issuer's Quarterly Report on Form 10-Q filed with the Securities and Exchange Commission on October 28, 2005.

Re: **Notice of Nomination for Election as Directors at the 2006 Annual Meeting of Stockholders of SCS Transportation, Inc.**

Dear Sir:

This letter is intended to serve as notice to SCS Transportation, Inc. ("SCST") as to the nomination by Starboard Value and Opportunity Master Fund Ltd., an exempted company organized under the laws of the Cayman Islands ("Starboard"), of two (2) nominees for election to the Board of Directors of SCST (the "SCST Board") at the 2006 annual meeting of stockholders of SCST, or any other meeting of stockholders held in lieu thereof, and any adjournments, postponements, reschedulings or continuations thereof (the "2006 Annual Meeting").

This letter and all Exhibits attached hereto are collectively referred to as the "Notice." Starboard is the beneficial owner of 348,627 shares of common stock, \$.001 par value per share (the "Common Stock"), of SCST, 1,000 shares of which are held of record. Through this Notice, Starboard hereby nominates and notifies you of its intent to nominate Jeffrey Ward and Jeffrey C. Smith as nominees (the "Nominees") to be elected to the SCST Board at the 2006 Annual Meeting. Starboard believes that the terms of two (2) Class I directors currently serving on the SCST Board expire at the 2006 Annual Meeting. To the extent there are in excess of two (2) vacancies on the SCST Board to be filled by election at the 2006 Annual Meeting or SCST increases the size of the SCST Board above its existing size, Starboard reserves the right to nominate additional nominees to be elected to the SCST Board at the 2006 Annual Meeting. Additional nominations made pursuant to the preceding sentence are without prejudice to the position of Starboard that any attempt to increase the size of the current SCST Board or to reconstitute or reconfigure the classes on which the current directors serve constitutes an unlawful manipulation of SCST's corporate machinery. If this Notice shall be deemed for any reason by a court of competent jurisdiction to be ineffective with respect to the nomination of either of the Nominees at the 2006 Annual Meeting, or if any individual Nominee shall be unable to serve for any reason, this Notice shall continue to be effective with respect to the remaining Nominee and as to any replacement Nominee(s) selected by Starboard. CC: Board of Directors

Dear Bert,

As we have discussed in several meetings and on numerous conference calls, we believe SCS Transportation (“SCST or the “Company”) is significantly undervalued. As a 5.7% owner, and one of the largest shareholders of SCST, we are concerned that the Board of Directors has not taken appropriate action to enhance shareholder value. In particular, we believe Saia represents a tremendous opportunity to build a best-in-class less-than-truckload (“LTL”) carrier and deserves the full attention of management and the Board of Directors. Jevic on the other hand, is not only non-core to SCST, but also is a distraction to the management team. Furthermore, we firmly believe that Jevic hinders the value of SCST in the market, and that the Company should immediately pursue a competitive sale process for Jevic.

Over the past several years, Saia has demonstrated improvements in tonnage, yields, and operating costs driving higher revenues and improving operating ratios. As demonstrated in the chart below, Saia’s revenue has grown by approximately 95% from \$367 million in 2000 to \$717 million in the last twelve months, and the operating ratio has improved from 95.5% in 2000 to 93.7% in the last twelve months. This represents a 14.4% revenue compound annual growth rate (“CAGR”) and a 177 basis point improvement in operating ratio. Our industry intelligence and analysis shows that the value proposition Saia offers its customers is excellent, service levels are outstanding, and incremental opportunities exist to build out the geographic coverage while increasing density within its core markets through both internal expansion and select tuck-in acquisitions. Saia, in our opinion, could achieve a level of growth and profitability on par with, if not greater than, many of its LTL competitors and, therefore, deserves the full and undistracted attention of management and the Board.

Conversely, Jevic has underperformed expectations while proving difficult to forecast and manage. The following chart shows that although revenue at Jevic has grown from \$307 million in 2000 to \$344 million in the last twelve months, the associated operating ratio has deteriorated from 95.3% to 99.1% resulting in a significant decrease in operating income from \$14.3 million to \$3.0 million. This represents a 2.3% revenue CAGR and a 377 basis point deterioration in operating ratio.

The issues related to Jevic are time consuming and take away critical focus by management and the Board from the core asset, Saia. The Board cannot allow this to continue.

Moreover, management has been given ample opportunity to fix Jevic and has not yet been successful. As demonstrated in Exhibit A attached hereto, at the end of 2003, management began targeting an 18 – 24 month time frame for Jevic to reach a 95% operating ratio. This originally implied a target date of September 30, 2005. As you are aware, the timetable for Jevic to attain these goals has repeatedly slipped. In the last quarter’s conference call, the target date was pushed out to September 30, 2007. The latest target date is two years from the initial target date, and almost four years from when management determined the need for added focus on Jevic by setting a timetable.

In addition, your goal of a 95% operating ratio for Jevic to earn its cost of capital is an inadequate target. It is unacceptable to ask the shareholders to wait an additional two years to achieve this modest goal. Given your continued inability to improve the performance towards such a modest goal, we have concluded that shareholders are better off selling Jevic today. We believe a new owner is better equipped to fix the business and would pay for that opportunity.

From a valuation perspective, we feel that a sale of Jevic will significantly enhance shareholder value by bringing in additional cash resources to the Company while removing the negative stigma and distraction associated with its continued underperformance. Given both our analysis of the current market conditions and the significant interest from financial and strategic buyers for transportation-related assets, we believe that Jevic can be sold now for a value in the range of \$66 million to \$109 million. Industry experts indicated to us that trucking assets that are not burning cash and are current in their capital expenditure upgrades rarely trade for less than 1.0x tangible book value. Additionally, we spoke to several financial buyers who know the asset and said that they would be interested in exploring a purchase of Jevic for a value between 4.0x and 7.0x EBITDA. Our estimated value represents 0.75x to 1.25x our estimate of tangible book value which coincides with 3.9x to 6.6x LTM EBITDA. Based on these assumptions, a sale of Jevic could produce between \$4.53 and \$7.55 per share of additional cash that could either be redeployed at Saia or returned to shareholders. We believe the value of Jevic realized in an open and competitive process with both financial and strategic buyers could be even higher than under our assumptions. Additionally, a sale of Jevic could result in a reduction of corporate overhead and possibly produce a tax benefit.

As you are aware, we believe that as a standalone pure-play LTL carrier, Saia would command a valuation multiple approaching the levels of other non-union LTL carriers shown below, which is materially above the current SCST valuation.

In the intermediate term, we feel that a management team fully focused on Saia should enable it to achieve operating metrics on par with the industry bellwether, Old Dominion.

In our discussions you stated that if you can somehow attain your goals at Jevic, you may be able to sell Jevic for a premium to current fair value at some point in the future. However, as we pointed out to you, our feeling is that buyers today, in a competitive sale process, will assign an appropriate value to the potential operating improvement and will therefore pay a premium multiple narrowing the gap between value today and the potential speculative value at some undefined point in the future. In making the right decision, we urge you to examine three key questions:

- 1) How do you compare the return on invested capital of maintaining your ownership of Jevic versus selling Jevic and reinvesting the proceeds into Saia or returning cash to shareholders?
- 2) What is the opportunity cost of time spent by senior management and the Board on Jevic versus the additional time that could be spent focused on Saia?
- 3) Can you achieve all or only a portion of the improvement in operating ratio at Jevic and what are the risks associated with this effort?

We believe Jevic is a distraction and has impaired shareholder value. As you know, the opportunities available to Saia to operate as a standalone entity are extremely attractive.

In accordance with our nomination letter, we intend to solicit votes for Jeffrey C. Ward, a well regarded transportation expert, and Jeffrey C. Smith, a Managing Director of Ramius Capital Group, LLC, an affiliate of Starboard, as candidates for the election to the SCST Board of

Directors at the 2006 Annual Meeting. Our nominees to the SCST Board look forward to representing the best interests of all shareholders.

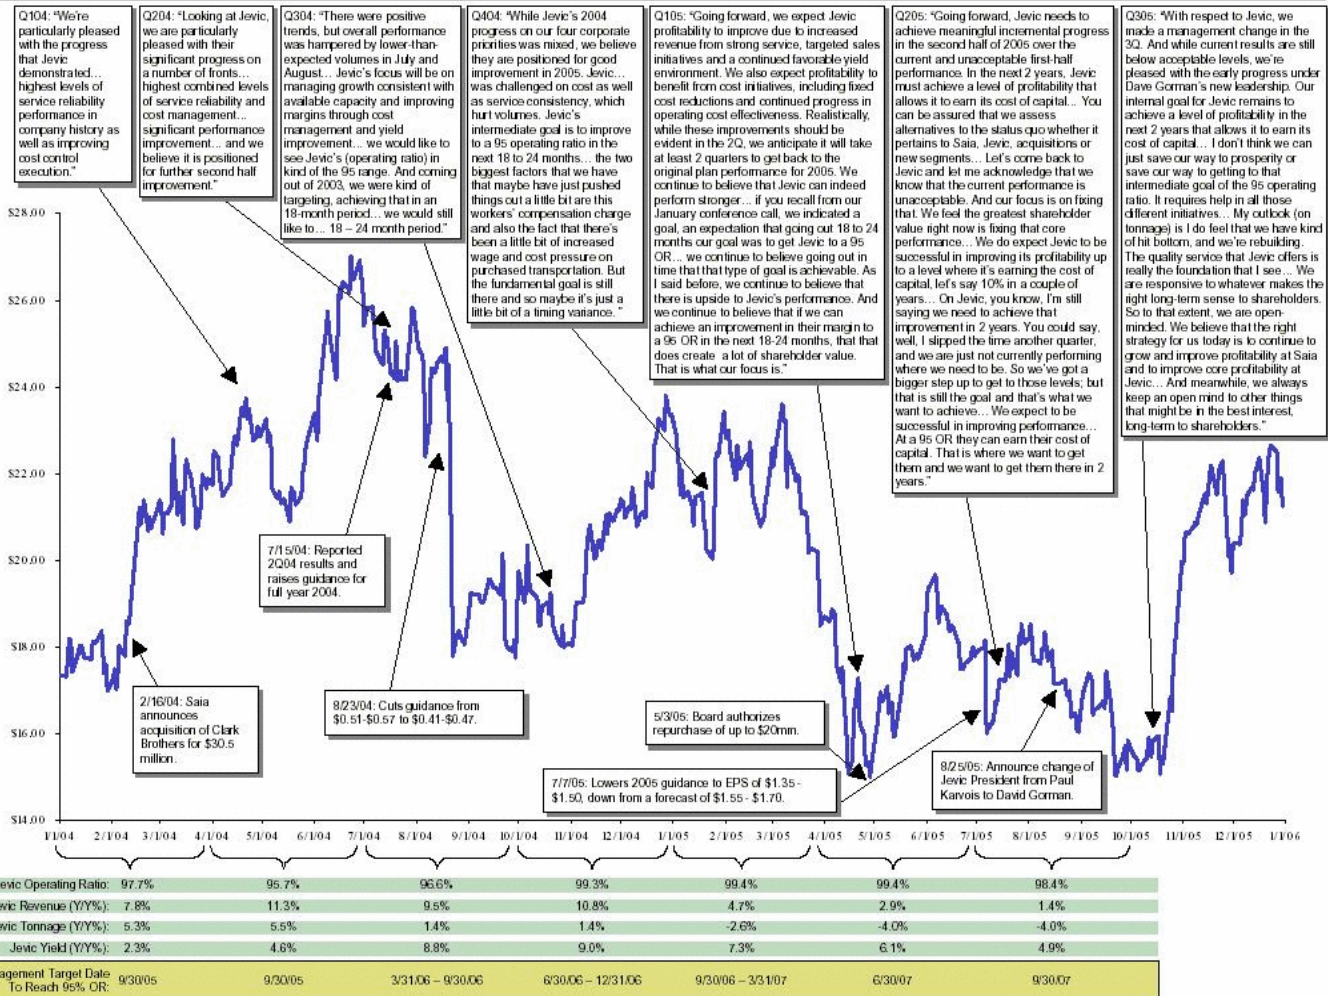

We look forward to continuing our discussions and we are confident that the best interests of all shareholders will remain of paramount importance.

Best Regards,
